

The Balsam Lake Public Library seeks a youth services staff member who is enthusiastic, creative, and organized.

The position is responsible for planning, organizing, administering and promoting library and reading programs and services targeted to youth and teens.

It is a part time position with some benefits, approx. 15-20 hours a week including evenings & occasional Saturdays.

The position also involves working the circulation desk, assisting with technology and collection development.

Full job description available by request.
