

# Holiday Hunt

**Nov. 30th - Dec. 13th**

### HOW IT WORKS

1. Stroll through town visiting the locations listed on the back of this guide
2. Find a gnome at each listed location.
3. Write down the gnome's code on this guide.
4. Bring this completed guide to the library on the night of the Balsam Lake Christmas Stroll to enter a prize drawing & claim your prize.

For more fun! Take a fun photo with the gnome, post your photo on social media, and tag the library on Facebook and/or Instagram.

### During the Christmas Stroll
